Professional Summary

Full-Stack Developer and co-founder with hands-on experience building scalable SaaS platforms. Proficient in modern web technologies (Next.js, React, TypeScript, PostgreSQL) and cloud infrastructure. Demonstrated ability to design, build, and deploy production systems that solve real-world problems.

Professional Experience

CEO & Full-Stack Developer

ODOMTO • 2025 - Present

- Co-founded and architected ODOMTO, a comprehensive SaaS platform for digital dental practice management.
- Designed and implemented a fully digital dental chart with anatomical precision, an interactive coloring system, and integration with patient records.
- Built multi-tenant architecture with role-based access control, audit logging, and financial management.
- Integrated third-party services: Cloudinary, Twilio, and automated PDF generation.

Software Support Technician

Hino Autos • 2024 - 2025

- Diagnosed and resolved internal system errors, improving overall platform stability.
- Provided on-site technical support to end users, resolving connectivity and server issues.

Technical Skills

Frontend

Next.js / React / TypeScript / Tailwind / Framer Motion

Backend & Runtime

Node.js / TypeScript / APIs REST

Database & ORM

PostgreSQL / Prisma / Multi-Tenancy

Security & Authentication

Auth.js / JWT / RBAC / AES-256 Encryption

Infrastructure & Deployment

Vercel / Neon / Cloudinary / Docker

Additional Languages

Python / Java / C# / JavaScript / SQL / HTML / CSS

Formal Education

Software Development Technician • ITLA • Santo Domingo • Present

High School Diploma • Colegio Cardenal Sancha • Santo Domingo Este • 2023

Certifications

- CS50's Web Programming with Python and JavaScript (HarvardX) - 2025
 - CS50's Introduction to Databases with SQL (HarvardX) - 2025
 - Introduction to Java (ITLA) - 2024
 - English Language (UNAPEC Language School) - 2022-2023
- Web Development and Programming Fundamentals (Platzi) - 2021-2022

Projects
